FOURTEENTH ANNUAL REPORT
OF THE BOARD OF MANAGERS OF THE
PRESBYTERIAN HOSPITAL
—OF THE—
CITY OF CHICAGO.

To the Members of the Society:

The record of the fiscal year just closed has many points of resemblance to its predecessor.

The general stagnation of business resulting from lack of public confidence, combined with the necessary unsettling of affairs consequent upon our unfortunate quadrennial election disturbances, have been active factors in reducing our income not only from investments and donations, but also from hospital earnings. Nevertheless, in spite of these untoward influences, we were still able to more than meet our obligations without in any way impairing our investments.

This happy result however, was only possible, because of the liberal support which the hospital has again received from its numerous friends.

To our investment account we have added an equity in improved real estate belonging to the late Hugo J. Palmer, valued at about \$10,000.

Some years since Mr. Palmer donated to the Hospital by will, the sum of \$10,000, but his executor was unable to close the estate without realizing cash upon this property.

Our financial committee therefore recommended to the Board, in which it concurred, that the Hospital purchase the property at a price not to exceed \$15,000. The executor finally accepted this offer, the Hospital paying the estate the sum of \$4896.12 being the difference between the equity of the Hospital and the estimated value of the property.

We have also received the handsome sum of \$10,000 from the estate of Mrs. Cordelia F. Barker.

During her lifetime Mrs. Barker repeatedly showed her interest in the Hospital by giving substantial gifts, and this last one is only a more emphatic expression of her desire to aid our work.

We are also pleased to report that by the will of the late Mrs. Maria G. Carr, her estate shall in the course of time pay to the Hospital the sum of \$20,000, which shall be used by the board as a memorial to her deceased husband, Dr. Watson Carr.

After a careful survey of the field it was unanimously agreed, by the Board of Managers, not to make any public effort, as by concert or otherwise, to raise any money for current expenses.

Our former benefactress, Mrs. Wm. J. Chalmers, then proposed to be one of ten who would raise the sum of \$500.00 each, and stipulated that no subscription would be binding unless the entire amount of \$5000.00 were pledged.

The plan soon met with favor and in an incredibly short time the full sum was subscribed, and even more, for the actual cash received amounted to \$5421.00.

It is also pleasing to report that though owing to the stringency of the times several of our annual endowed beds have lapsed, nevertheless to this list, as will appear in the Treasurer's report, six new additions have been made.

We would also call your attention to another pleasant feature, viz.. that during the year quite a number of corporations, firms, county agents, town supervisors, as well as individuals on their own private account have entrusted patients to the care of the Hospital, thus affording them advantages which, except for the generosity of the former, the latter could have never enjoyed.

During the year by leasing property adjoining the Hospital for the use of employes we have been able to increase our capacity for patients in the Hospital, to the number of thirty beds.

The building formerly occupied as a maternity we were obliged to vacate on account of its unsafe condition, and we now occupy two of our houses on Harrison street, which were thoroughly renovated for the purpose.

The changes thus affected give us 210 beds in the Hospital proper, 25 beds in the convalescents and throat and chest department, and 20 beds in the maternity, making a total of 255 beds.

In addition to the usual house repairing, during the year, we have thoroughly renovated all the outside metal work of the entire Hospital, giving it, with the wood work, several coats of paint, and have also laid over 5000 sq. ft. of flooring in the Ross building.

The work in the maternity, and the buildings occupied by the servants as well as the changes and repairs in the Hospital proper, have somewhat increased our current expense account.

The cost of administration of the Hospital for the year was \$92,423.03, and expenses for taxes, insurance, paving, etc., \$2,035.27, making a total of \$94,458.30.

The receipts from all sources available for current expenses amounted to \$98,686.61.

There were 2,000 admissions of new patients as against 1,958 for the previous year and 71,834 days of treatment as against 72510 of the year before.

Of the days of treatment, 47,763 were pay and part pay; of which number fully 5 per cent should be credited to that class who were entered as pay patients, but who were unable to meet their obligations, and yet were not transferred to the free list, and 24,020 days were wholly free.

The daily average of free patients was 65, of pay and part pay 134, making a total daily average of 199.

The lowest number of patients at any time was 152, the highest 234.

The lowest number of free patients was 48, the highest 84.

It will thus be seen that the list of free patients rarely fell below the number of endowed beds, whereas the daily average was five above, and that the

relation of free and pay as represented by our endowment has been sustained throughout the year.

This showing we think, is all the more creditable because the cost of maintenance of these beds was \$18,000 in excess of what we received for that purpose, and \$2,500.00 over and above the sum of all our donations applicable for current expenses.

The medical and surgical work has kept pace with that of the previous year. With the increase of our facilities and the perfection of our methods the results become more gratifying, nevertheless we are still in urgent need of numerous appliances which are necessary to the full accomplishment of ideal work.

The religious services continue an important feature of the hospital.

At stated periods during the year the Communion was administered by Rev. Walter H. Reynolds, assistant pastor of the Third Church, to those who manifested a desire to honor our Lord in this blessed service.

The daily ministrations of Miss Patterson are also a pleasant feature of this work; these varied meetings are quite helpful to those who are in sympathy with them, and it is not unusual to find those, who are not thus inclined, gradually come under their blessed influence.

These services can have but one result, viz., to teach those who in sickness are doubly conscious of their weakness, to look to Him who is our strength, a present Helper in all times of need and to honor the name of our blessed Master.

The Sabbath afternoon bible class is still conducted by Miss Wing, supported by "Bible Class D" of the Third Church, and as stated before is admirably adapted to the needs of the Hospital and highly appreciated by the patients.

It is needless to say that the thanks of the board are due to our medical staff for another year of painstaking and efficient medical and surgical service.

To the nurses also, we express our hearty appreciation of untiring labor, and tender ministrations, whose inestimable value cannot be expressed in words.

In conclusion, I desire in behalf of the Board, to express thanks to those of our friends who are found not only within the various organizations identified with the Hospital, but also those having no such connection, for the kind words and the material aid which we have received in various ways during the past year.

By order of the Board of Managers,
JOHN L. WITHROW, *President.*

CONSTITUTION.

ARTICLE I.

TITLE.

The corporate name of this Society is, THE PRESBYTERIAN HOSPITAL OF THE CITY OF CHICAGO.

ARTICLE II.

OBJECT.

The object of the Society is the establishment, support and management of an institution for the purpose of affording medical and surgical aid and nursing to sick and disabled persons of every creed nationality and color.

ARTICLE III.

THE SOCIETY.

The Managers shall be *ex-officio* members of the Society, and the names of the Managers from time to time in office shall be placed on the roll of membership as active members.

Other persons severally paying or contributing to the funds of the Hospital (as is expected of the Managers severally) not less than Ten Dollars annually, may be constituted members by vote of the Board of Managers, or by the Electing Committee as provided in the By-Laws, but subject to the approval of said Board, as is also so provided. A person once elected to annual membership may continue such membership only by paying Ten Dollars annually.

Any person who shall pay not less than One Hundred Dollars in advance may, upon vote of the Board of Managers, become a life member.

Honorary members may also be constituted by vote of the Board of Managers.

Any of the honorary, life or annual members who may actually attend the annual or any of the special or other meetings of the Society shall have the right to participate therein along with the active members aforesaid.

ARTICLE IV.

PROPERTY.

All property of the Society, unless otherwise directed by the donor, shall be applied or be held to advance the general objects of the society, as declared in the Certificate of Organization.

ARTICLE V.

GOVERNMENT.

The affairs of the Society shall be under the direction of the Board of Managers. Such Board shall consist of twenty-four persons, with the addition thereto of the pastors of the First, Second, Third and Fourth Presbyterian Churches of Chicago, now or hereafter respectively installed and acting as such pastors respectively. Such pastors are to constitute the Clerical Board.

Said twenty-four persons shall be, as at present, divided into four classes of six (6) each, such division having been made with reference to service for the terms of one (1), two (2), three (3) and four (4) years respectively of those first selected and so that hereafter six Managers shall be elected by the said Board annually, by ballot, to serve on the said Board for four years. Any vacancy occurring in the said Board of Managers, otherwise than by change of pastorate as to said four churches respectively, may be filled in like manner at any stated or special meeting of the said Board; provided, that if the vacancy be not so filled until a meeting of the Society shall occur, the same shall be filled by vote by ballot of the members of the Society attending such meeting.

A President, a Vice-President, a Treasurer, a Secretary, and an Assistant Secretary shall be elected annually by the said Board of Managers from their own number; provided, however, the Assistant Secretary need not be a Manager. Not less than eleven members of said Board shall constitute a quorum for the purpose of electing officers, making or changing By-Laws, or for holding any special meeting, but seven shall be a quorum for all other purposes and for stated meetings. The Board of Managers shall at all times be fully authorized to execute all powers of the Society over all the estate and property of the Society; to it shall be committed the care of the funds of the institution, authority to make By-Laws, Rules and Regulations, and to alter and amend the same; to fill vacancies in their own body, except as above provided, choose the officers of the Society, appoint agents, assistants and attendants, and generally transact the entire business of the Society.

ARTICLE VI.

MEETINGS OF THE BOARD.

The Board of Managers shall hold stated monthly meetings on the third Monday of the month. Special meetings of the Board and of the Society may be called by the President, or, in case of his absence or inability to act, by the Vice-President, or on the requisition of five members of the Board of Managers, but when special meetings are called, the time and place of the meeting, and the subject proposed to be considered, shall be specified in the notice to the members at least two days previous to the meeting, and no other subject shall be acted upon at such meetings.

ARTICLE VII.

ANNUAL MEETING.

The annual meeting of the Society shall be held on the second Monday of April in each year. It shall be the duty of the Board of Managers to make the necessary arrangements for this meeting; to present to the meeting or adjourned meeting a report of the proceedings and business matters of the previous year; to exhibit a full and accurate view of the state of the funds and property of the Society, and also to give information of any nature relating to the objects or affairs of the Society which may be of interest or importance. In case of failure to hold the annual meeting on the day specified, a special meeting shall be called for that purpose. An attendance of not less than eleven members, active, annual, life or honorary, shall be necessary for the transaction of business, except to adjourn to another time.

At such annual or adjourned meeting, six persons shall be chosen to supply

the places of the class of Managers whose term of service is about to expire; that is, if vacancies exist. The persons so elected, together with those composing the three other classes and the four other members of the Board provided for as aforesaid, shall constitute the Board of Managers for the ensuing year, and shall continue in office until their successors are elected.

ARTICLE VIII.

BOARD OF CLERGYMEN.

There shall be a Clerical Board to consist of the four clerical *ex-officio* members of the Board, to whom shall be exclusively committed all matters relating to the spiritual and religious ministrations of the Hospital. The President of the Board of Managers, or in case of his absence or inability to act, the Vice-President, shall be notified of the meetings of the Clerical Board, and when present shall preside and vote at such meetings. It shall be the duty of the Superintendent and Chaplain, when requested, to attend these meetings of the said Board.

ARTICLE IX.

AUTHORITY TO BORROW MONEY.

At the annual meeting of the members of the Society, or at any special meeting thereof, authority may, by a vote of the majority of the members present, be delegated to the President and Treasurer to borrow money to be used solely for the purposes of the Society.

Estimates shall be submitted to any such meeting by the Treasurer and the Finance Committee, from which the amount of money to be borrowed for current expenses or for other necessary outlays before the next annual meeting can be determined.

In carrying out the power hereby given, the President and Treasurer may, from time to time, subject to approval of Finance Committee, execute note or notes, and renew the same without the necessity of any further vote of the members.

ARTICLE X.

AMENDMENTS OF THE CONSTITUTION.

Amendments of the Constitution shall be proposed in writing at a regular meeting of the Board of Managers, and may be acted upon at the next regular meeting of the Board, or a special meeting called for the purpose and shall be adopted only upon a concurrence of a majority of the Board of Managers.

REPORT OF THE SECRETARY.

The close of the thirteenth year of the Ladies' Aid Society of the Presbyterian Hospital finds the Society in prosperous condition and good working order.

Meetings have been held at the Hospital on the first Monday of each month, with the exception of July and August.

Supplies of fruits, jellies and other delicacies have been contributed each month by the different churches.

The Library Committee reports 157 books received, besides paper-covered volumes, magazines and children's books. Cash on hand at the beginning of the year, \$12.90. Received, \$20.00. Expended for bookcase, covers and labels, \$26.80. Cash on hand \$6.10.

The heaviest item of expense for the Furnishing Committee has been the flooring of the lower halls with tile, but this is believed to be a measure of economy, in view of the durability of the tiling. The upper halls have been covered with linoleum.

The reports of the Visiting Committee through their chairman invariably dwell upon the patience and cheerfulness which seem to be the prevailing spirit. Those who think of a hospital only as a place of suffering, or at least of patient endurance would perhaps be surprised to learn that patients often find subject of amusement in their various disabilities; as in the case of a man who fell down a mining shaft and broke bones in six places, but found entertainment for himself and provided it for others in experiments testing his ability to exercise under these circumstances. The Children's Ward is the scene of many activities which keep the little patients employed in doing something for others. It may be interesting to know that one of the benefits of the influence of the Hospital is the incidental cultivation of good manners. Mothers whose children have returned home have expressed their thanks for the improvement in this direction.

The Committee on Associate Memberships find a gratifying increase this year in the results of their work. Nearly a thousand circulars have been sent out and a large proportion of them have been answered.

The Devotional Committee continues its faithful and beneficent work, and many who leave their sick beds renewed in heart and life will look back with gratitude to the weeks spent in the atmosphere of patient, unselfish ministering and teaching, and the example of the lives with which they have come in contact. Miss Patterson has more than once found a patient who on first entering the hospital loudly proclaimed his infidelity, of whom she could after some weeks give such a report as this: "The man who declared himself an infidel is very ill, and knows that he can not recover. But his testament has been his constant companion, and he has come to a joyful trust in Christ."

Instead of attempting to provide the usual entertainment for the benefit of the Hospital, it was thought wise this year to try to raise the money by direct appeal to those interested in the success of this institution, and a number of ladies, members of this Society, volunteered to raise the sum of \$5,000. In the prevailing financial stringency, this was an undertaking calling for much faith and courage, but it has been entirely successful.

In February last, the president Mrs. O. S. Newell, in view of an extended absence, tendered her resignation. The two years during which she has served as president, have proved her an able and judicious leader, and her resignation was accepted with regret.

With this exception there have been but few changes in the membership, and no deaths have occurred within the year.

Respectfully submitted,

JANE N. HIBBARD, *Secretary.*
